

## Omni Home Automation Keypad

Omni Keypad  
(HAI Part Number 33A00-1)  
or Omni Keypad with Built-in  
Speaker/Microphone  
(HAI Part Number 33A00-4).

SPECIFICATIONS  
Size: 4.5" W x 4.5" H x .75" D

**The Omni flush-mount and surface mount keypad** with backlight. Also available with a built-in speaker/microphone to be used in automation applications.

Your Omni system has built-in telephone access with voice menu options that you may access when you are inside your home or call from outside your home. It also has a built-in modem and Ethernet port allowing remote programming and status over the telephone or the Internet.

With the Omni systems, you can set the validity of user codes by time and authority. For example, you can set the security code for the nanny, housekeeper, or contractor only to work during specified times or specific days of the week.
